- High-quality polyester fabric
- Graphic display: 24" x 63"
- Installs in minutes to allow for quick and easy changes of graphics

- Durable, slim-line, easy-to-use retractable banner
- Ideal for trade shows, point-of-purchase or any advertising venue
- High quality polyester fabric
- Graphic display: 34" x 80"
- Installs in minutes to allow for quick and easy changes of graphics

- Durable, lightweight and portable
- Attractive, black matte-finish stand
- 36" wide and adjustable up to 8' high
- Available in single-sided or double-sided media
- Installs in minutes to allow for quick and easy changes of graphics

- Excellent for back drops, trade shows or product displays
- Aluminum unit expands and contracts easily
- Comes with storage case
- Graphics attach easily with Velcro® on frame and print
- Accessory lights available
- Prints on high-quality polyester

Classic Table Drapes

- High-quality polyester twill material
- Flame retardant
- Machine washable
- Pleated corners lay elegantly across the table
- Covers top and three sides of table
- Extends 10" off the back of the table for additional support
- Full four-sided table drapes available on request
- Designed to fit one of three standard table sizes: 4', 6' and 8'

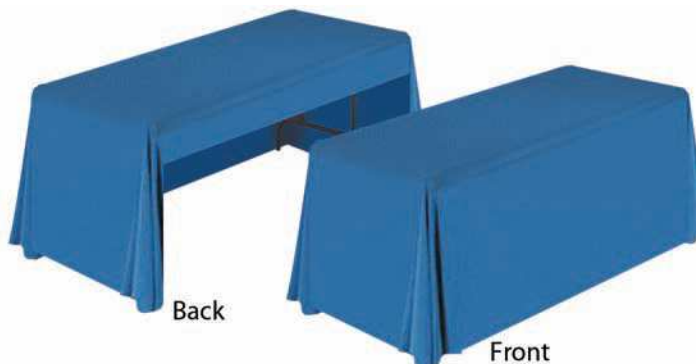

Table Throws and Runners

- Excellent way to economically display a corporate logo on a table, without covering all sides
- High-quality polyester twill material is both flame retardant and machine washable
- Table throws cover the front, top and 10" down the back of the table and designed to fit one of three table sizes: 4', 6' and 8'
- Table runners drape over existing solid color table (not included) and are available in 28" and 57" widths

Solid Color Table Drapes

- Solid-color table drapes are a basic, economical design and a great compliment to table runners
- High-quality, machine washable polyester twill
- Available in a wide assortment of colors
- Basic design covers the top and three sides of the table and extends 10" down the back
- Four-sided table drapes available on request
- Designed to fit one of three standard table sizes: 4', 6', and 8'

Banners

- Available in any shape or size to meet your display, advertising or promotional needs
- High quality polyester fabric including traditional 600 denier polyester, twills, satins, sheers and recycled fabrics
- Single or double-sided
- Any finishing style can be applied to meet your exact specifications
- May be set-up to work with any hardware or mounting options

Premium Banners

- Ideal for promotional displays, corporate programs and large-scale product rollouts
- Choose from a range of high-quality fabrics including satin, silk and sheer
- Economical and consumable alternatives are available and perfect for high-volume, short-term projects
- Finished to your exact specifications

Large Banners

- Increased visibility, perfect for indoor signage, outdoor advertising, trade shows and more
- Can be printed up to 120" wide without seams
- Banners wider than 120" can be printed by sewing multiple panels together
- Environmentally friendly, simple to mount
- Easily packed and folded into bags or boxes for shipment

Light Pole Banners

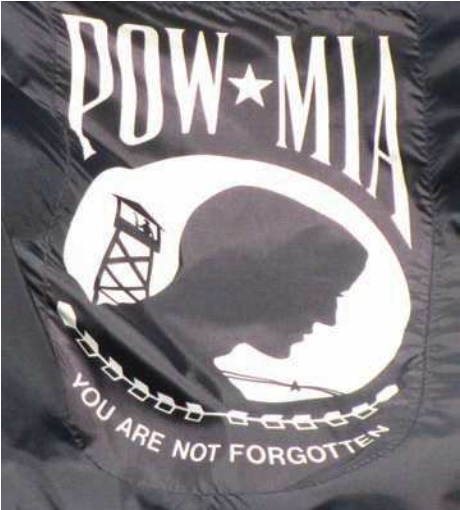

- No glare
- Lighter in weight than vinyl, reducing shipping costs
- Better touch, feel and look than PVC
- Can be set-up to be used with a range of hardware options
