

# Streamline your printing process

**BETTER EFFICIENCY.** These days, that's the goal of nearly every organization. The good news is, when it comes to maximizing the efficiency of your business printing, we can help.

With an extensive nationwide network and more than 40 years of commercial print experience, we have the expertise to guide you through the ins and outs of business printing. Plus, we offer anytime, anywhere delivery through the FedEx global transportation network. With us, you get

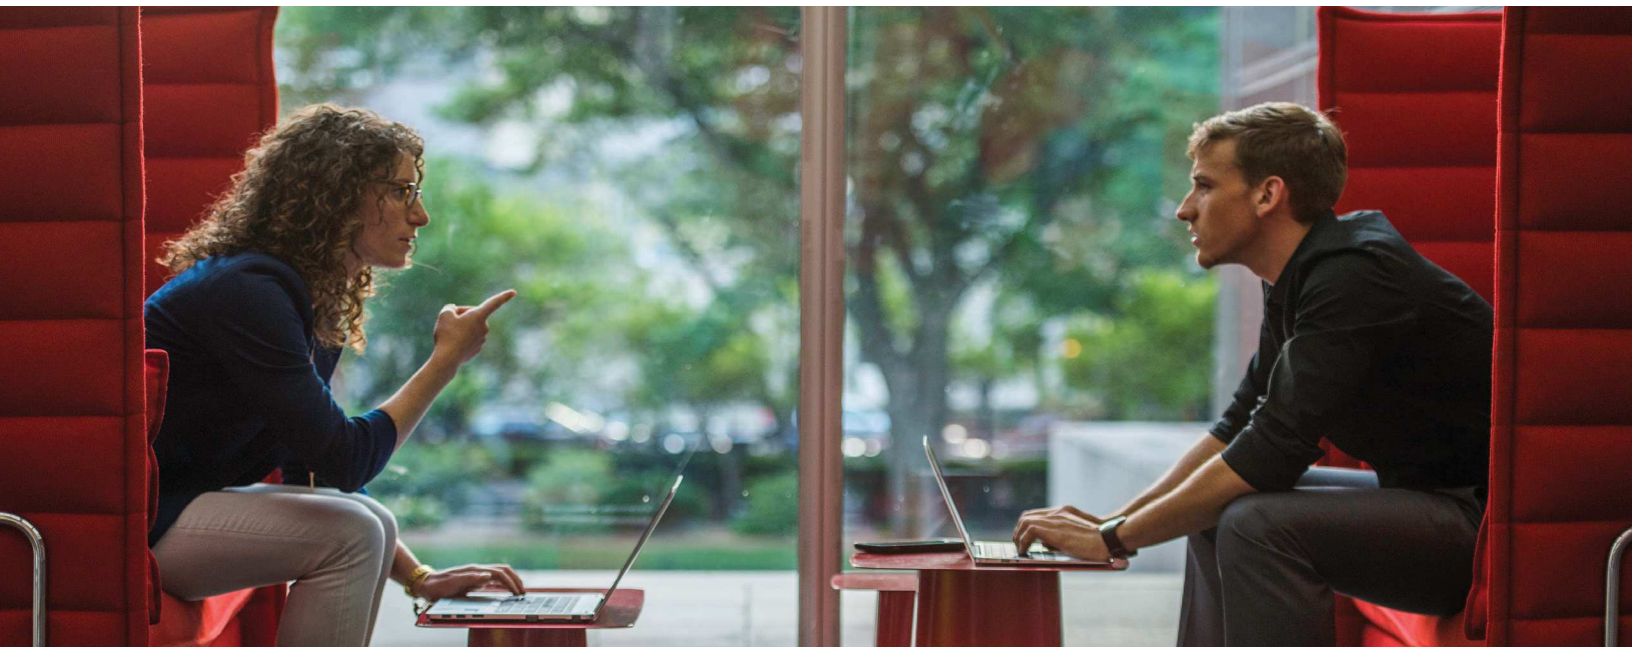

a powerful yet flexible resource in an ever-changing environment.

Let us help you solve your challenges and meet your goals. From reducing costs to increasing efficiencies, you'll find endless benefits working with us at FedEx Office.

Sincerely,

A handwritten signature in black ink that reads "Aimee DiCicco".

Aimee DiCicco  
Senior Vice President of  
Commercial Business Development

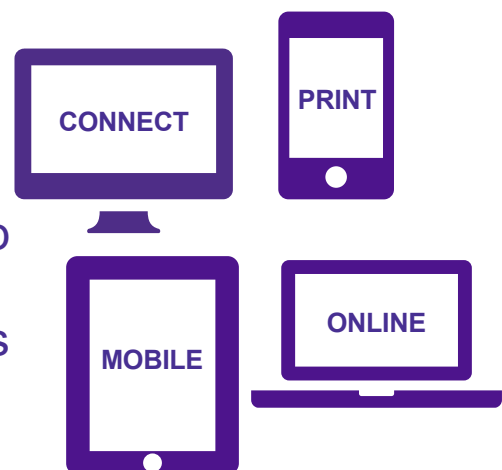

# Efficiency means being able to print online. Anytime. Anywhere.

We make it easy to connect to a faster, more flexible way of doing business anywhere you have a computer and an internet connection. From print on demand to custom web services to mobile printing, we have the virtual tools you need to succeed. Questions? We can consult with you on the best way to streamline your printing projects.

- ▶ Discover how to print closer to your point of need to eliminate unnecessary costs
- ▶ Create customizable templates with variable data fields you can quickly populate
- ▶ Upload and print documents from your computer
- ▶ Set customized printing and finishing options
- ▶ Save frequently used documents for easy reordering
- ▶ Upload files and print to locations throughout the country

The FedEx Office App  
is one of the Top 10  
Essential Mobile apps  
for entrepreneurs.

# Tell us what you need to do. We'll find a more efficient way to do it.

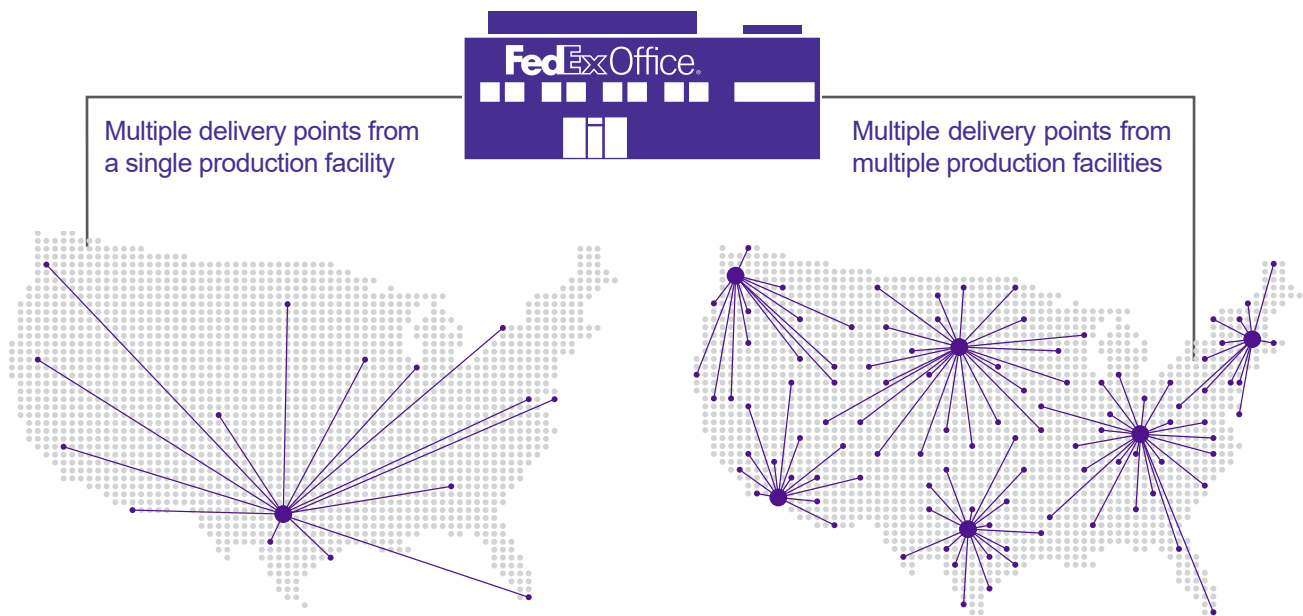

If you're looking for smart ways to streamline your business printing, we've got the map — and we can put it to work for you. FedEx Office gives you the advantage of a state-of-the-art national and global transportation network.

## Cut days and dollars out of your print production.

Logistics are simplified by our team of dedicated experts who manage your printing for maximum efficiency. For instance, if it's more efficient to split printing projects among facilities with more capacity, our specialists can make quick decisions to meet your deadline and budget.

### Centralized order processing with intelligent routing

## Choose a customized solution.

We know one size never fits all. Our team of strategic advisors will work with you to assess the situation and help you determine what works best. From a fully functioning FedEx Office situated on your campus to a near-site option where printing can be ordered online and delivered, you can always access our expert support, consistent quality and a nationwide FedEx Office network.

### **Put our experience and capabilities to work for you.**
