

## Icertis Scored the Highest for Current CLM Product Offering

- The Icertis Contract Intelligence (ICI) platform received the highest score possible (5.0) in 27 out of 32 evaluation criteria – more than any other vendor in the evaluation.
- “Icertis has strengths across all the CLM functional areas, including contract creation, contract repository and analytics, contract types supported, contract management, and technology aspects,” the report notes about ICI.
- “Icertis remains a Leader in CLM, thanks to its laser focus,” according to Forrester.
