

Stay healthy, stay safe

We're restocked and ready with specially priced, high-demand products.

With Staples, get peace of mind with a cost-effective program that covers all your business needs. Plus advice from the industry experts, so you can focus on the health of your organization instead of procurement.

Make sure your associates continue to work with the products they need to set them up for success in a healthy and safe workplace you put into place. Find specially priced in-demand products on StaplesAdvantage.com or through your purchasing platform. Save more by stocking up and take advantage of special case pricing, with even more discounted pricing through your Staples Account Manager.

The whole Staples team is here to help you navigate by identifying cost-effective and sustainable solutions to continuously sanitize and disinfect the workplace to reduce the spread of germs between employees.
